Review of Meeting #1

REGION 8	
Ranking	PRIORITY
1	Healthcare and Insurance
2	Unemployment/Economic Development
3	Behavioral Health/Mental Health/Addictive Disorders
4	Chronic Disease Management
5	Nutrition/Healthy Eating

SWOT Emerging Themes

Priority 1: Healthcare & Insurance

Strengths

- Good infrastructure for healthcare & insurance promotion, data monitoring and access

Weaknesses

- Lack of political engagement & will
- Poor access & lack of focus on prevention

Opportunities

- Raising awareness of service & promoting access through existing entities – social media, school-based wellness programs

Threats

- Multiple barriers to access – culture, geographically disperse region

SWOT Emerging Themes

Priority 2: Unemployment & Economic Development

Strengths

- New job opportunities within tech sector
- Educational programs in region (high school, technical school, Universities)
- Collaborative efforts among sectors

Weaknesses

- Lack of technical & other skill sets (especially computer skills) in the workforce

Opportunities

- Educational opportunities both in and outside of secondary schools
- Programs to reach vulnerable populations – low income, elderly

Threats

- Industries are leaving the region
- Structural barriers to employment - lack of childcare, difficulties with transportation

SWOT Emerging Themes

Priority 3: Behavioral Health, Mental Health, Substance Abuse

Strengths

- Many different services available targeting vulnerable populations
- Integration of BH into school-based wellness and primary care

Weaknesses

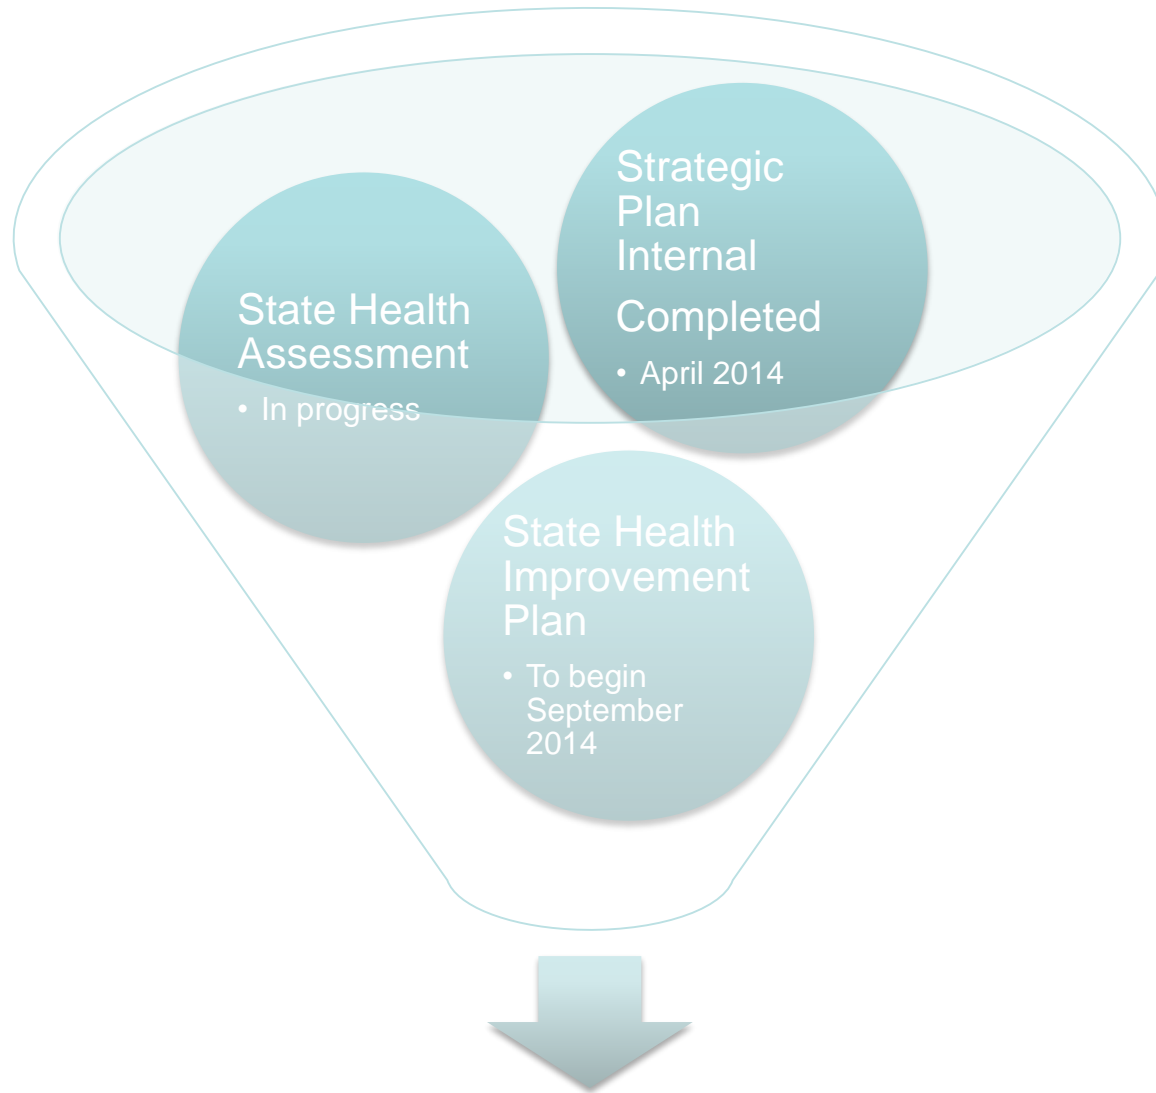

- Lack of transportation & providers, poor continuity and coordination of care
- Cost – both for patients and providers (medication cost, insurance reimbursement)
- Lack of education & prevention @ all levels of community & society

Opportunities

- Improved coordination of services, Medicaid expansion
- Creation of educational & prevention resources, perhaps through social media

Threats

- Lack of funds & education – both for providers and for patients
- Geography & size of region create transportation barriers
